Welcome

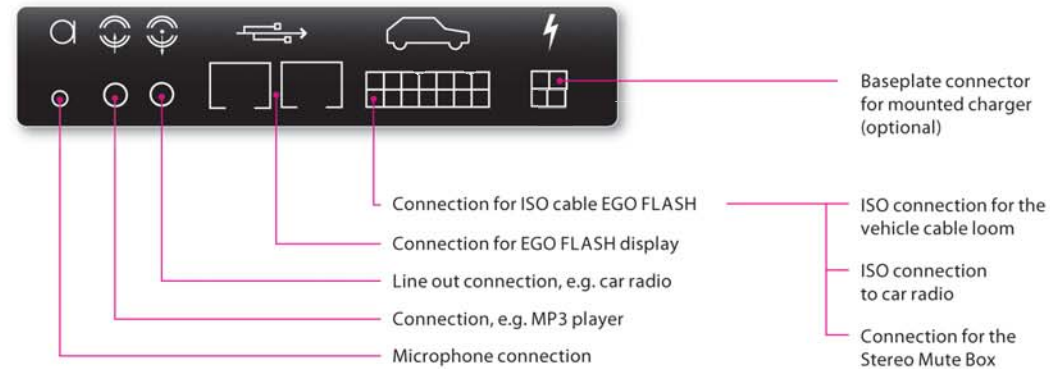

This quick guide takes you through the initial setup of your EGO FLASH.

Please refer to your mobile phone operating instruction to familiarize yourself with its Bluetooth functions. Please check the EGO FLASH phone supported list (available at www.bftsync.com) to make sure your phone is compatible with the unit prior to installation.

More information and detailed operating instructions can be found on our website at www.bftsync.com

If you have more questions; - please visit us at www.bftsync.com or call our support hotline +1 (713) 482-8657 (Mon – Fri, 9 AM to 6 PM (CST)).

Voice commands :

Activate the voice commands by pressing and holding the  button, until you hear "main menu". For a quick tutorial say "help" after you have heard the prompt "main menu".

Initial Operation

1. Select "User management"

2. Create a new user by selecting "New user"

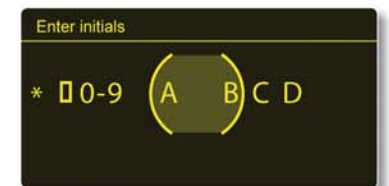

3. Select "Pair through tel."

4. The system generates a unique PIN code.

5. Search for Bluetooth devices with your mobile phone and enter the provided PIN code – for more information, please refer to the manual of the mobile phone.

6. Enter user initials and confirm

7. Pairing process completed – the system is now ready to use
