## Step 1:

### Installing and changing the remote battery:

Open the remote by twisting the bottom counter clockwise, in the direction of the arrow, to insert the battery. Place the battery in place, positive (+) side down. To close, align the positive (+) contacts and interlocking tabs press lightly together and twist clockwise.

## Step 2:

### Pairing the remote to the EGO LOOK:

- Pairing is required only once
- Within 10 seconds of powering on the EGO LOOK press and hold the Red and Green buttons on the remote control until the green light illuminates then release them.
- Re-pairing is not required when changing the battery.

### Key functions:

-  - Key answer call, menu item select, letter and numbers select play, and pause
-  - Key end a call, reject a call, enable phone based voice commands, stop, return to previous menu level, cancel action
-  - Right Volume up, scroll clockwise or down, next track
-  - Left Volume down, scroll counter clockwise or up, previous track
-  - Press Activate voice control; reject a call, menu item select, letter and numbers select

### Voice commands:

Activate the voice commands by pressing and holding the rotary dial, until you hear "main menu". For a quick tutorial say "help" after you have heard the prompt "main menu".

## Step 3: Initial Operation

1. Select "User management"

2. Create a new user by selecting "New user"
